How do these appointments help your child?

Spread the cost of your child's routine dental care through a convenient monthly Direct Debit.

- Clinical examination to catch developing problems early.
- ALL x-rays, where clinically necessary, for an internal examination of their oral health.
- Advice and techniques – we work with your child to prevent tooth decay and gum disease.

We believe this is the complete package to maintain your child's oral health. We recommend joining to help reduce the risk of expensive restorative treatment in the future.

Please speak to any member of the team if you would like more information or for details on how to register your child.

* The provision of dental check-ups and fluoride applications is subject to receipt of the required consecutive monthly payments.

** Exclusions apply.
